

On behalf of the Clifden Marconi Project, I would like to invite you to a celebration of the opening of the new looped walk at the Marconi/Alcock and Brown site at Derrigimlagh.

The Clifden Chamber are the developers of this project in conjunction with Failte Ireland, Galway County Council and the National Parks and Wildlife Service.

The walk was officially launched by the Minister of State for Tourism in July and is currently being actively promoted both nationally and internationally by Failte Ireland as a significant discovery point on the Wild Atlantic Way.

The walk is a scenic loop that includes interactive explanations of the historic events that occurred here.

Proceedings will start at 2.30 on Sunday 18th September and will be followed with a guided tour led by Shane Joyce and Michael Gibbons.

We have selected this date to occur during Clifden Arts Festival and I hope that you will also enjoy the varied entertainments that this offers.
